Hello.

IS RUHR
Parents' Association

We are the IS Ruhr Parents' Association, a dedicated group of parents committed to enhancing the educational experience for our children.

Our association is a dynamic community where parents can collaborate, share ideas, and work together to support the school and its students. We believe that by working together, we can create a positive and enriching environment for our children to thrive.

Our Initiatives

Our Parents' Association is dedicated to organizing a diverse array of activities and events throughout the school year.

We undertake fundraising initiatives to support community projects and arrange social events that promote family engagement and unity. One of our key initiatives is "PA Tuesday" where we offer special workshops to the school community, including dance, creative activities, and sports. These workshops provide opportunities for students and parents to explore new interests, develop skills, and build stronger connections within the school community. Additionally, we support school events such as the annual IS Ruhr Welcome BBQ and Unplugged, providing entertainment and helping to create a lively atmosphere.

We collaborate closely with the school administration to enhance communication and strengthen community bonds. Our efforts are aimed at providing additional resources and opportunities that benefit all students.

Make a difference.

While our events and workshops are open to all, becoming a member of the Parents' Association allows you to play a more active role in shaping our activities and initiatives.

- Your small annual membership fee (25 €) helps us fund these programs and ensures that we can continue to provide valuable resources and opportunities for all students.
- By contributing, you are directly supporting the enrichment of our school environment and helping to build a strong community for our children.
- Your involvement and support make a significant difference, and we welcome all parents to join us in this rewarding experience.
